## Operating Hours - Nexus Logistics, Conlinxx & Wiri Intermodal Freight Hub

Dear Valued Customer

As we head toward Auckland Anniversary weekend we would like to advise some important operating times and closures for the inland freight hub, Conlinxx dispatch and transport fleet.

Please find below our operating hours over the 2017 Auckland Anniversary break:

Auckland Anniversary Hours 2017		
Saturday 28 <sup>th</sup> January		6am to 2.30pm
Sunday 29 <sup>th</sup> January		6am to 2.30pm
Monday 30 <sup>th</sup> January	Auckland Anniversary	Closed
<b>Normal delivery hours will resume Tuesday 31<sup>st</sup> January 2017.</b>		

Nexus Logistics are committed to providing a superior service during the Auckland Anniversary break. Therefore please advise us ASAP of any impending deliveries and/or any deliveries that may require urgency or special attention during this time.

The more notice you are able to give will allow Nexus to plan and continue to provide the current level of service. Should you require container movements outside these hours please contact your Business Development Manager.

## Empty Dehires

For Empty Dehires Between:	Please send requests to Nexus no later than:
25/01/17 – 27/01/17	2pm on Tuesday 24/01/17
Requests received on or after 25/01/17	These will be dehiired on Tuesday 31/01/17

Any Empty container dehire requests or notifications received after these dates will risk delays due to the holiday period, coupled with restricted operating hours at empty depot yards.

Whilst all efforts will be made for timely dehires, Nexus Logistics will not be held liable for any detention incurred as a result of late dehire notices.

Please ensure that you are aware of your Empty dehire yard and the operational hours associated with these sites during this period to avoid any unnecessary charges.

Thank you in advance for your co-operation with the above matters and for your continued support throughout 2017.
