

Nexus Staff 2015 fund raising activities

LOUD SHIRT DAY - Staff took part in the annual fund raising for deaf awareness by wearing their loudest shirts to work in return for a gold coin donation - \$90.00 was collected for The Hearing House.

PINK RIBBON DAY - Some brave staff took part in the annual fund raising for breast cancer by wearing something pink - not all of them were willing to have photos taken though, except for our lovely Shevana who outdid herself in this ensemble!!
In total we raised & donated over \$400.00 for this good cause.
